

To our followers,

We are extremely grateful for everyone's patience through this long and ongoing reopening process. Both city of Peoria and health department authorities have reviewed our guidelines for reopening and certification of COVID-19 compliance. They have both endorsed our plan and concluded that in reviewing our documentation, we are able to fully comply with the outlined Outdoor Recreation and Youth Sports guidelines. This is in conjunction with the Restore Illinois, Heart of Illinois (HOI) plan for the Central Illinois area.

We are thrilled to have all of you return to the LSSC in the coming days and weeks. We are confident that our guidelines, practices, and procedures will keep our guests safe while maintaining a quality experience for everyone at Slugger Peoria. Thank you for hanging with us.

Now, it's time to play!
